

# Ellis Lakeside Campground

Ellis is a friendly community of 2000 people, located on Interstate-70, halfway between Kansas City and Denver. The campground is only seven short blocks from Exit 145.

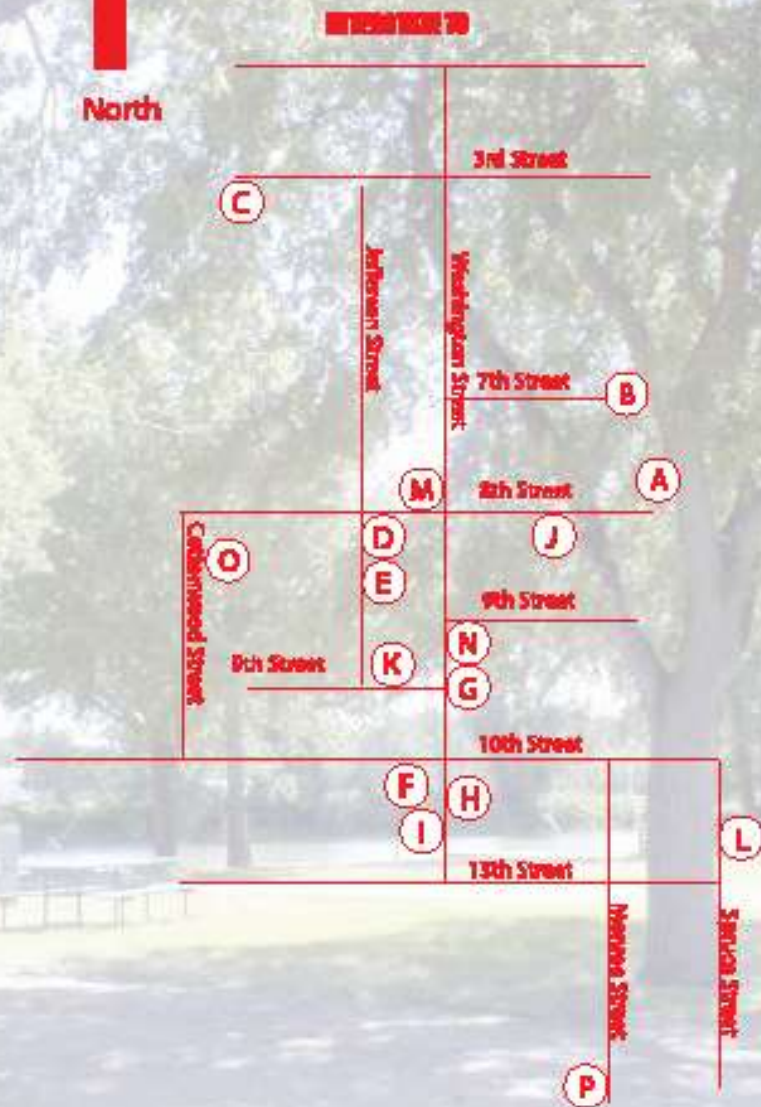

Nestled along the tree-shaded banks of picturesque Ellis City Lake on Big Creek, the campground provides travelers a convenient place to spend a quiet restful night. In addition to a public phone, picnic tables, charcoal grills and playground, the campground offers hot showers, water and electric hook-ups, common dump station, boat dock and fishing piers. A storm shelter is available nearby in the basement of Christ Lutheran Church.

Many excellent shopping opportunities (restaurants, grocers, antiques and crafts) are mere blocks away. Also within easy reach are three beautiful city parks, three unique museums, miniature train ride, municipal swimming pool, public golf course, tennis, sand volleyball and basketball courts, Frisbee golf course and horseshoe pits. Ellis' peaceful streets provide an excellent venue for a leisurely evening of cycling or strolling.

The weekend campers are invited to worship at one of the four local churches. Ellis has an EMT ambulance and the police department provides 24-hour patrol.
